

KD-TS3S1

Tissue processor

Features & Specifications

- ▶ 7-inch intelligent touch color screen, real-time display of working status, clear display.
 - ▶ Unique double tissue basket design, convenient for specimen classification management.
 - ▶ Scrolling screen shows power-failure status; built-in UPS runs 30+ hours after outage.
 - ▶ Manual interruption allowed with auto resume, ideal for mid-run checks or adding specimens.
-
- ▶ Number of cups: 14 (10 for reagent, 4 for paraffin)
 - ▶ Capacity of each cup: 2000ml
 - ▶ Tissue basket capacity: 162x62x129 (mm) (125 cassettes/pc)
 - ▶ Drain time: 10~60 seconds adjustable
 - ▶ Programmes: A mechanism: 20 sets B mechanism: 20 sets
 - ▶ Agitation times: 0~6 times/min adjustable
 - ▶ Wax cup temp control: room temperature~80°C adjustable
 - ▶ Power supply voltage: AC 100~120V/AC220~240V
 - ▶ 1st/2nd cup processing time: 0~99 hours and 59 minutes
 - ▶ Power: 50Hz/60Hz 550W
 - ▶ Other cups processing time: 0~23 hours and 59 minutes
 - ▶ Dimensions: 1560x440x540(mm)
 - ▶ Number of tissue baskets: 2pcs
 - ▶ Net weight: 102kg

KD-TS3D1

Tissue processor

Features & Specifications

- ▶ 7-inch intelligent touch color screen, real-time display of working status, clear display.
 - ▶ Scrolling screen shows power-failure protection; built-in UPS supports over 30 hours of operation.
 - ▶ Manual operation can be inserted anytime and auto-resumes, allowing easy mid-run checks or specimen addition.
-
- ▶ Number of cups: 12 (9 for reagent, 3 for paraffin)
 - ▶ Drain time: 0~60 seconds adjustable
 - ▶ Capacity of each cup: 2000ml
 - ▶ Agitation times: 0~6 times/min adjustable
 - ▶ Tissue basket capacity: 162x62x129mm (125 cassettes)
 - ▶ Tissue protection station: 1~7 stations adjustable
 - ▶ 1st cup processing time: 0~99 hours and 59 minutes
 - ▶ Power supply voltage: AC100V~120V/AC220V~240V
 - ▶ Other cups processing time: 0~23 hours and 59 minutes
 - ▶ Power supply: 50Hz/60Hz 500W
 - ▶ Programme: 20 sets
 - ▶ Dimensions: 1380x440x540 mm
 - ▶ Wax cup temp control: room temperature ~80°C
 - ▶ Net weight: 85kg
